Mercy Medical Center Mt. Shasta 20th Annual Swing into Spring Golf Tournament

Thank you for your interest in supporting the 20th Annual Swing into Spring Golf Tournament! We are thrilled to bring this wonderful event back to our community. This year's proceeds will benefit Mercy Foundation North, specifically supporting the Mercy Mt. Shasta Maternal Child Services Campaign at Mercy Mt. Shasta. It is our honor to support mother's, babies, and families right here in our community.

Your partnership is crucial in ensuring compassionate, high-quality care for mothers, babies, and families throughout our region. This packet outlines various sponsorship opportunities, benefits, and ways your organization can create a meaningful impact while gaining valuable visibility... all while teeing up for tiny miracles!

Mercy Medical Center Mt. Shasta is dedicated to delivering exceptional healthcare to our community. Maternal Child Services plays a vital role in supporting families during pregnancy, childbirth, and the early stages of life—providing care that is both clinically excellent and profoundly compassionate.

By becoming a sponsor, your organization will support essential Maternal Child Services needs, demonstrate commitment to families and community health, gain visibility among community leaders and participants, and be recognized as a partner in compassionate local care. Proceeds from the tournament support family-centered maternity and newborn care, equipment and technology enhancements, and improved patient and family experiences. These specific upgrades include new Fetal Heart Monitors and department wide upgrades.

Your consideration means the world to many living in Siskiyou County and beyond. We hope you will join us through sponsorship and/or participation. Please find support and tournament details on the following page. We are deeply grateful for your consideration and support. Together, we can make a lasting difference for mothers, babies, and families in our community.

Sincerely,

Craig Hanna, Director of Respiratory Care, Mercy Medical Center Mt. Shasta

Shayna Cassidy, Manager of Philanthropy, Mercy Foundation North
